<input type="text" value="Additional 1GB Stora"/>	<input type="text" value="whs-msex-storage"/>	<input type="text" value="3.0"/>	<input checked="" type="checkbox"/>
New Add-on			

Hosted Payment Page Settings

Return URL after Success	Return URL after Cancel
<input type="text"/>	<input type="text"/>

Use `{{account_code}}` and `{{plan_code}}` to substitute the subscriber's account code and plan code.
 Example: `http://company.com/signup/success?account_code={{account_code}}&plan={{plan_code}}`

Bypass Recurly Confirmation?

After successful user subscriptions, bypass confirmation page and send users directly to 'Return URL after Success'.
